Measurements:
- Whisper White CS – 8 ½" x 5 ½" scored at 4 ¼"; Scrap for sentiment label;
- Peaceful Poppies DSP - 2 ¾" x 5 ¼";
- Poppy Parade – 4" x 5";

Instructions:
1. Fold Whisper White CS card base on score line and crease with Bone Folder.
2. Trim 1 ½" off the front layer of the card base. Use the remaining piece of the front card base to punch the Timeless label sentiment.
3. Using Multipurpose Liquid Glue, attach the Peaceful Poppies DSP to the left side of the front card base.
4. Die cut with the largest die of the Stitched So Sweetly die set from the Poppy Parade CS. Using the Multipurpose glue, attach the Stitched So Sweetly cut to the front of the card from the right edge of the top layer card base. Glue only on the side that is attached to the front card.
5. Glue the Flowers from the Peaceful Poppies Elements to the front of the card.
6. Stamp the Happy Birthday sentiment from the Itty Bitty Birthdays stamp set to the Timeless Label sentiment with the Poppy Parade stamp pad.
7. Using the Stampin Dimentionals place the sentiment label to the front of the card.
8. Glue sequins to the front of the card.
